Dear Sir,

**CHILANGA ONE DEMOLITION WORKS**

Reference is made to Chilanga One Demolition Agreement between Lafarge Zambia Plc. and Wreckers Dismantling (Pty) Limited, executed during the month of December in 2016.

We would like to confirm and express our gratitude for completing the demolition works in time and without any safety violations as per our Contractor Safety Management Rules as outlined in the key performance indicators of the contract. We were particularly impressed in the manner you felled the two 65 meter high concrete and steel chimneys using explosives and mechanical means respectively.

We have kept your company details and contacts on our Suppliers data base for future demolition works as they may arise.

Yours faithfully
